

PERFORMER ENGAGEMENT AND DIGITAL REPLICATION AGREEMENT

This Agreement is made as of 1 January 2026 between Halcyon Pictures LLC (the “Producer”) and Mira Vance (the “Artist”), represented by Ardent Talent Group.

1. RECITALS

Producer is engaged in the production of the theatrical motion picture presently entitled “Nightfall Over Carson” (the “Picture”). Artist is a professional performer whose name, voice and likeness have independent commercial value. The parties wish to record the terms on which Artist renders services and the limited terms on which Producer may create and use a digital replica of Artist.

2. DEFINITIONS

“Digital Replica” means any computer-generated reproduction of the Artist's voice, visual likeness, or performance, however created, including by machine learning or other generative means.

“Synthetic Voice Performance” means audio in which the Artist's voice is reproduced or generated other than by the Artist's contemporaneous performance.

“Territory” means, except where this Agreement provides otherwise, the United States and Canada.

3. ENGAGEMENT

Producer engages Artist to render principal photography services in the role of “Della Reyes” in the Picture, on the dates set out in Schedule A, subject to the standard terms of the applicable collective bargaining agreement.

4. TERM

The rights granted under this Agreement commence on 1 January 2026 and expire on 31 December 2028, unless extended by a separate written instrument signed by Artist. Upon expiry, all rights to create or exploit a Digital Replica revert to Artist automatically and without further act of either party.

5. COMPENSATION

Producer shall pay Artist the fixed compensation set out in Schedule B for services rendered. In addition, a per-title fee is payable on any synthetic voice line retained in final delivery, calculated as set out in Schedule B and payable within forty-five days of first commercial release.

6. CREDIT

Artist shall receive credit in the main titles of the Picture in a size and position no less favourable than that accorded to any other performer in a supporting role.

7. APPROVALS AND CONSULTATION

Producer shall consult with Artist in good faith before the first use of any Digital Replica in a manner not expressly contemplated by this Agreement. Consultation does not constitute consent, and no course of dealing shall be construed to enlarge the rights granted in Clause 8.

8. CONSENT TO DIGITAL REPLICATION

Artist consents to the creation of a Digital Replica of the Artist's voice for the limited purposes described in Clause 9. Such consent is specific, is limited to the Picture, and is not transferable to any affiliate, successor, licensee or vendor of Producer without a separate written instrument signed by Artist.

9. PERMITTED SYNTHETIC VOICE USE

Subject to Clause 4 and Clause 10, and to payment of the amounts described in Clause 5, the following rights are granted:

- (a) Producer may generate synthetic voice performances of the Artist solely for the Picture, in the United States and Canada.
- (b) Producer may reuse existing archival recordings of the Artist's performance in the Picture, and in trailers, featurettes and other secondary materials promoting the Picture, within the Territory.
- (c) The rights in paragraphs (a) and (b) are exercisable only during the term stated in Clause 4 and only within the Territory. Any exploitation outside the Territory requires a separate written instrument signed by Artist.
- (d) Producer shall maintain a record of each synthetic voice line generated under paragraph (a) and retained in final delivery, and shall make that record available to Artist or Artist's representative on request.

10. RESERVATION OF RIGHTS

All rights not expressly granted in Clause 9 are reserved to Artist. In particular:

- (a) No right is granted to generate or exploit a synthetic visual likeness of the Artist.
- (b) No right is granted to use any Digital Replica of the Artist in advertising for any product or service other than the Picture.
- (c) No right is granted to use any Digital Replica of the Artist to generate dialogue, performance or endorsement in any production other than the Picture.
- (d) No right is granted to sublicense, sell, publish or otherwise make available any model, embedding or other artefact derived from the Artist's voice or likeness.
- (e) Any use falling outside Clause 9 is a material breach, and Artist may seek injunctive relief in addition to any other remedy.

11. VENDOR OBLIGATIONS

Producer shall procure that each vendor engaged on the Picture is bound by terms no less protective of Artist than this Agreement, and shall disclose to Artist on request the identity of any vendor that has generated a Digital Replica under Clause 9.

12. GENERAL

This Agreement is governed by the laws of the State of California. It may be amended only by a written instrument signed by both parties. If any provision is held unenforceable, the remainder continues in effect.
